

Boss, Steel Line, Guardian, Lynx, Centurion or Decko 303mhz

Face to Face copy instructions

Hold your old original remote in one hand and your new remote in the other.
Hold them side by side close enough to touch. It pays to have the L.E.D. Blue light side the new remote next to the original remote.

Push the first button you wish to code on both remotes. Once the copy remote has received and copied the code the blue led with light up.

Release both the button on the original remote and the new remote.
Repeat for the other buttons that need to be copied.
