

Coding Instructions Merlin Remote M832 and M842

1. Locate the red “learn” button or any other button marked “learn” or “LRN”
2. Press and hold the “learn” button until the light starts flashing.
3. Now push the main button on the new remote followed by the secondary button (smaller one)

This will not affect existing remotes.

Figure 1

'Learn' button is located under this green cover

Figure 2

Remove light cover followed by green cover (as shown in Figure 1)
